The Department of Emergency Medicine at St. Joseph's Regional Medical Center is an academic department, home to both an Osteopathic and Allopathic Residency in Emergency Medicine and a Fellowships in EMS, Neurology, and Pain Management. In 2014 the department treated 159,000 patients, including 40,000 in our 24-hour Pediatric Emergency Department. A member of St. Joseph's Healthcare System, St. Joseph's Regional Medical Center was founded in 1867 by the Sisters of Charity of Saint Elizabeth. The department is now located in the 230,000 square foot critical care tower completed in the Fall of 2011.
